1. The "Ligue Internationale Contre Le Rhumatisme," (International League Against Rheumatism), will hold its 1953 meeting at Geneva from 24-28 August. It is expected that several hundred delegates from many countries will be in attendance, although an official list of delegates has not yet been compiled.
2. As in the past years, representatives from the USSR will be invited to attend the meeting, but there have been no Soviet delegates at any of these meetings since before World War II. It is not known whether delegates from other Satellite areas will attend, although there are active chapters of the "Ligue Internationale Contre Le Rhumatisme" in Czechoslovakia and Hungary.
